## NATIONAL RESOURCE CENTRE ON YOUTH

### Introduction

Since research and training on a variety of topics concerning youth is one of the objectives of Vishwa Yuvak Kendra, we set up a National Resource Centre on Youth (NRCY) to facilitate and support these activities and also to help other developmental workers and organisations across the country in providing various kinds of specialised information.

NRCY is actively supporting the organisation from its very inception. It is always equipped to cater to the changing needs of the organisation as well as its partners and is being developed as a specialised resource centre on youth. It has an impressive collection of more than ten thousand books in English and one thousand books in Hindi on various aspects of youth and social work. The same is being updated with new books of relevance from time to time. Besides subscribing to 46 important journals / magazines on relevant issues, it also receives over 100 complimentary publications e.g. newsletters, annual reports and conference proceedings of various ministries, NGOs and international organisations.

It is fully computerised making for quick and easy retrieval of information. It has linkages with other libraries in Delhi and has a resource sharing and Inter-library loan facility through Developing Library Network (DELNET), a Delhi-based network of libraries for promoting resource-sharing activities among Indian libraries. This gives research scholars an easy and quick access to the required information available in other libraries. Its Online Public Access Catalogue (OPAC) is accessible through DELNET. Those organisations that are member of DELNET can search the library database online. The plan is to make the library database and our publications online through our own website for easy and free access to all.

The Centre is open to all visitors, students, research scholars and volunteers. It provides a variety of specialised services to individuals and organisations involved in research and training on youth.

## Services & Facilities

### *Current Awareness Service*

A computerised database of periodicals, articles, newspaper clippings, books, conference proceedings and reports on various issues related to youth and society is being developed and the information is being disseminated through *InfoShare* on Kendra's website.

### *Bibliographical / Documentation Service*

The Centre prepares thematic bibliographies on various topics on demand and also on routine basis e.g. Indian Youth in Print, NGOs — A Select Bibliography etc.

It has also gathered various Government Schemes of different ministries and the information is made available in the form of booklets on a very nominal payment.

### *Reading List Service*

The Centre has recently initiated a new Reading List Service to highlight the various aspects of its collection. Lists on a variety of topics are made available to users on demand on a nominal payment.

### *User Education Programme*

The Centre conducts User Education Programme to participants of our various training programmes and guides them how to develop, grow and maintain a library. The programme besides inculcating the importance of library also helps them to understand the different principles & techniques of library management.

### *Reference & Referral Service*

An active reference/referral service, related to youth and its various aspects is provided to individuals and organization on demand. Queries are dealt immediately on receipt and emphasis is given to provide pinpointed and up-to-date information.

### *Reprographic Service*

The Centre provides photocopying facility to members and non-members against payment of Re. 1/- per page.

### *Reading Room*

Reading Room facility is open to all for reference purpose during library hours.

---

## Library Hours

Monday through Friday

9.30 a.m to 5.30 p.m.
